

TC-SY 400 P

Paint Spray Gun

Item No.: 4260005

Ident No.: 11015

Bar Code: 4006825613773

The TC-SY 400 P is a hand-held paint spray system for small and medium-size work spaces which is adapted for lacquers and glazes. The paint flow regulation as well as the adjustable air cap for vertical, horizontal and round jet enable exact and flexible adaptation to every application. The removable spray head makes the change of paint as well as the cleaning of all elements which come into contact with the paint to child's play. The suspension device is proper for space-saving storage. Included are two nozzles for different viscosities of lacquer and glaze and a container for examination of viscosity, a purification brush, a purification needle as well as a paint container with a capacity of 800 ml with an apposite lid.

Features

- Hand-held system for small and medium-size work spaces
- Adapted for spraying of lacquers and glazes
- Removable spray head for cleaning all paint-leading elements
- Paint flow regulation for ideal adaptation of paint application
- Adjustable air cap for vertical, horizontal and round jet
- Safe and comfortable handling thanks to the soft grip
- Practical suspension device for space-saving storage
- Incl. 2 nozzles for different viscosities of lacquer and glaze
- Incl. purification brush for cleaning the uptake
- Incl. purification needle for cleaning the spray nozzle
- Incl. container for examination of viscosity
- Incl. lid for paint container
- Incl. 800 ml paint container with measuring scale
